The Applicant filed a Petition under 37 C.F.R. § 1.48(a) to correct the inventorship in the underlying patent application (mailed January 29, 2003). Another executed Declaration listing all three of the above-identified names (Baker, Sanchez, and Bair) as inventors was submitted as part of this Petition. Although it appears that the U.S. Patent Office received this initial Petition (currently marked as "entered" on PAIR), it does not appear that the U.S. Patent Office acted on this Petition. Subsequently, the above-identified patent was issued naming only the two original named inventors (Baker and Sanchez).

In view of the foregoing, the Patentee is submitting this Petition under 37 C.F.R. § 1.324. The following documents are included with this Petition:

1. Statement from the person being added as an inventor that the error in inventorship occurred without deceptive intention on his part pursuant to 37 C.F.R. § 1.324(b)(1);
2. Statement from the current named inventors agreeing to the change of inventorship pursuant to 37 C.F.R. § 1.324(b)(2);
3. Statement from the assignee pursuant to 37 C.F.R. § 1.324(b)(3); and
4. A check in the amount of \$130.00 as applicable under the provisions of 37 C.F.R. § 1.20(b).

Please charge any additional fee or credit any overpayment in connection with this filing to our Deposit Account No. 02-3978.

Respectfully submitted,

**JEFFREY R. BAKER et al.**
